Approval of minutes: October 21, 2021 (could not be approved due to lack of a quorum)

Communications: None

Old Business:

- **Yard waste removal update** – Inquiries were made with various other towns. Item will be left on the agenda for next month for further discussion.
- **Peaceful garden update (end of season maintenance and QR code posting)** – End of season maintenance has been done and QR code signs are ready for posting. Next month we should discuss/approve sandwich board poster for the Peaceful Garden.
- **Trash removal around the lake (continued discussion from last month)** – To be continued next month

New Business

- **Lake monitoring update** – Most recent water testing was done on 11/1. Awaiting data to go to Princeton Hydro for results and recommendations.
- **Solitude chemical/treatment safety findings** – To be presented at next month's meeting
- **Asphalt millings incident on Township Property off Buzzards Glory Road** – Although it appears as though a resident may have put down millings on State property, it does not appear to be an issue that falls under the LTEC to address.
- **Recently signed NJ law making grants available to Township and Lake Associations** – Application has not yet been posted. It will be the Town and Lake Association who would need to apply for the grant. The Subcommittee will be

meeting soon. It is likely that any grant request will be based on recommendations from Princeton Hydro for treating the lake.

- **Suggested netting to prevent debris from dumping to the lake** – This item has been tabled for the time being.
- **Promoting EC visibility (events and/or workshops ideas)** – To be discussed at next month's meeting.

Commission Member Reports – to be discussed at next month's meeting
